## || Life Predictions ||

### Character

You are a person who places comfort and happiness before everything else. This, however must not be taken to mean that you neglect your duties for the sake of these requirements. Quite the reverse, you will work and strive, knowing that it is only by industry that you will be able to attain them satisfactorily. You like company and are not happy when alone. Consequently, you will seek out friendships and value them. You are capable and admire efficiency. It takes a great deal to make you rise up and rend your adversary. You are shrewd in financial matters. Though you applaud what is old and well tried but give new things a fair trial. You are remarkably good-hearted and noted for your love towards children.

### Happiness And Fulfillment

There is a harmony between your thinking and feelings, enabling you to have a firm grasp on reality. You are very practical, able to understand yourself, and say tactfully exactly what's on your mind. You are able to see what in your inherent nature prevents you from achieving inner satisfaction and you are able to verbalise this. However, you will tend to worry about the most inconsequential matters, tend to gossip and be as critical of yourself as you are of others.

### Life Style

Your friends serve as motivational factors in your life. You need their support and encouragement. You can thus achieve your goals by directing yourself in areas where your friends see your progress.

## || Life Predictions ||

### Career

Your career must offer you both intellectual stimulation and diversity. You like to do many things at one time, and probably will have two professions.

### Occupation

You will not be happy in any occupation that is humdrum and safe. As long as every day brings its fresh set of problems to be solved and surmounted, you will be satisfied. But anything with a spice of danger or intrepidity in it will please you even more. Some examples of this type of profession are : surgeon, construction engineer, top management posts. A surgeon would appeal to you because people's lives and your own reputation depend upon your actions. A construction engineer has to overcome exceptional difficulties in building, say, a mighty bridge. What we meant to say is that any job which require very high caliber and have some spice of danger is suitable for you.

### Health

Above all things, you must avoid overwork and overstrain. You are prone to both and your nature is such that they are particularly harmful to you. Be careful to get sufficient sleep and do not plan things while lying in bed. Try to make your mind a total blank then. If possible, look upon the week-end as a time for complete rest and not one in which to do all the odd things that have been held up during the week. Too much excitement is decidedly bad and a time of hurry and flurry will take more out of you than it will from most people. Therefore, try to live a serene and peaceful life. Do not worry over what cannot be helped. You are apt to suffer from such complains as insomnia, neuralgia, headaches and eye-strain after the age of 30.

## || Life Predictions ||

### Hobbies

You will take up many hobbies. You will become very much wrapped-up in them. Then, suddenly you will lose patience and cast them aside. Another will be chosen and it will suffer the same fate in due course. You will proceed through life in this manner. On the whole, your hobbies will afford you considerable pleasure. You will learn much from them, seeing that you will sample so many.

### Love Matters

Love comes early in your life and when it comes, it strikes a very ardent note. But big flames die out quickly and you are out of love many times before the final choice is made. Probably, the wedding will not be an early one, nevertheless, it will be a happy one.

### Finance

In financial matters, you would have weight and authority. You will be successful in carrying out your plans if not hampered by partners. So, as far as possible, avoid partnership businesses. You have to work very hard against many disadvantages during your early years. In spite of this, you may expect to gain a considerable amount of financial success, also position and prominence due to your own superior mentality, not dependent on what is called luck or chance. It would be best for you to work out your plans alone. You are likely at times to strike some odd inventions that will be lucky for you, and you will be liable to make money in peculiar way off the beaten tract.

## || Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Third house from Lagna, while in the Moon chart Mangal is placed in Fifth house.

**Hence Mangal Dosha is present neither in Lagna Chart nor in Moon Chart.**

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

### Some Remedies (in case Mangal Dosha is present)

#### Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

#### Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

#### Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

## || Sadesati Report ||

### **Shani Sade Sati: Rising Phase**

This is starting period of Shani's Sade Sati. In this period Saturn will be transiting in 12th house from the Moon. It generally indicates financial loss, problems by hidden enemies, aimless travel, disputes, and poverty. During this period, you may face problems created by your hidden enemies. Relationship with your colleagues will not be good enough and they will create problems in your work environment. You may also face challenges on your domestic front. This may create pressure and tension. You need to exercise control over your spending otherwise it will lead to bigger financial problems. Long distance travels may not be fruitful during this period. Saturn's nature is of delay and dejection, but generally you will get results eventually, so be patient and wait for your turn. Take this period as a learning period, put your hard work and things will fall in place. You are advised not to take high risks in business matters in this period.

### **Shani Sade Sati: Peak Phase**

This is the peak of Shani's Sade Sati. Generally this phase of Saturn is the most difficult one. Saturn transiting over natal Moon indicates health problems, character assassination, problems in relationship, mental afflictions, and sorrows. You will find it difficult to achieve success in this period. You may not get results of your hard work and feel restricted. Your constitution and immune system will not be strong. As the first house is the house of health, you should start exercising and taking care of your health, otherwise you can be caught by chronic diseases. You may suffer from depression, unknown fear or phobia. You will lack clarity in thinking, action, and decision making. You will be spiritually inclined and will be attracted by intricacies of nature. Acceptance and doing basics right will sail you out of this period.

### **Shani Sade Sati: Setting Phase**

This is 'setting' period of Shani's Sade Sati. Saturn will be transiting in the 2nd house from the natal Moon, which indicates difficulty on financial and domestic front. You will start feeling slight relief after having two difficult phases of Sade Sati. Still, misunderstandings and financial stress can be seen during this period. Expenses may keep soaring high and you need to continue exercising control. Sudden financial losses and fear of theft is also a possibility. You may be pessimistic in thinking, you are advised to deal with matters enthusiastically. You will require paying good attention to family and personal front, otherwise those can also lead to a bigger problem. For students, education may be slightly affected and they will have to work harder to hold on to their existing level. Results will be slow and almost always with the delay. This is a period which indicates danger and apart from other things, you need to be careful while driving. If possible, stay away from non-veg and your drinking habits to keep Saturn happy. You will be able to sail through this period by intelligently handling your domestic and financial matters.

**Note:** Above predictions are of general nature and are based on general belief that Sade Sati is harmful. Truly speaking, we found that it is not always the case and we recommend reading this article on Sade Sati. Any conclusion based on Sade Sati alone is not correct and has good chances of failing. Certain factors like current running dasa and nature of Saturn also need to be analyzed before we can conclude whether Sade Sati period will be malefic or benefic. You are advised not to take above forecasts seriously and in case of any doubt, consult a good astrologer.

## || Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
